PROFESSIONAL EXPERIENCE

W. & G. Development

2014 – Today / Athens

Working as a Freelancer Web Developer on :

- Web Applications
- Portals
- Websites
- Mockup
- Wireframe
- UI Design

KORIMVOS S.A

2007 – Today / Athens

Role: Web / e-Content Developer.

I have worked in a team where my organizational skills and my creativity were required in order to complete projects for the public as well as the private sector concerning portals (e.g. digitrust.edu.gr, techexpert.gr). Worked also as a trainer in system administration and content management systems such as:

- Asynchronous Education Platform Open eClass
- Asynchronous Education Platform PEA (product of KORIMVOS)
- Content Management Systems (Joomla και Wordpress)

I have also worked as an e-content developer on projects for the public sector concerning the production of Interactive eLearning Courses compatible with SCORM1.2 and SCORM2004.
